

## Harriet Waine

### Architectural Assistant

Harriet has worked in large and small practices in the UK (Gloucestershire and London) and Denmark (Copenhagen). In the studio in Copenhagen I worked mainly in interior fit out projects, furniture design and refurbishment schemes, in particular two libraries in Denmark and a Psychiatric unit in the Faroe Islands.

One of the library projects that she worked on during her time in Copenhagen, that was partially sponsored by the LEGO. foundation, has recently been nominated for Danish Design Award.
