

### Qualifications

BA (Hons), MArch

## Richard Timmins

### Architectural Assistant

Richard studied architecture at the University of Liverpool, The Dessau Institute of Architecture and The Bartlett. Following his master's degree, he was the winner of the Eisteddfod of Wales architecture prize and has exhibited a temporary pavilion at the Royal Institute of British Architects.

Richard has experiences ranging from small-scale domestic projects through to large residential developments. He joined David Morley Architects in 2015 and is currently working on King's College School and Barton Park Pavillion.

### Relevant projects

- King's College School
- Barton Park Pavillion
