

Tracy Moseley

Office Administrator / Document Controller

Tracy worked as admin support for the regional sales manager and her team of 4 at Service Point prior to joining David Morley Architects in 2000. Starting as the practice receptionist, she quickly became the project administrator providing support for several key projects. These include the English Institute of Sport at the University of Bath, The Hub at Regents Park, The Campus Locking Castle and Rossington All Saints School, as well as the London 2012 Water Polo Arena. Tracy is currently working as Document Controller on several projects within office, including the Kent Institute of Medicine & Surgery and Clifton House, as well as projects at St Hugh's College, Oxford and the University of Kent.
